**Typical Physical Properties**

- **Appearance:** Clear/ Pink
- **Physical State:** Liquid
- **Odor:** Soapy
- **Specific Gravity:** 1.007
- **Weight per Gallon:** 8.40
- **Solubility in Water:** Complete
- **Ph:** 6.5-7.5
- **Formula:** Proprietary Blend

**Product Information**

- Pipe Wash is a safe and effective pH neutral and non-toxic environmentally friendly cleaning compound.
- Pipe Wash’s powerful surfactants and emulsifiers are designed to disperse and clean hydrocarbons/ greases and most all organic build up from any surface.
- Pipe Wash is an extremely effective surfactant for toe prep and well bore clean out operations.
- Pipe Wash has a non-ionic charge that allows the compatibility with most all work over and completion fluids being circulated.
- Pipe Wash is also a very effective cleaning compound for pressure washing applications (rig wash/ truck wash/ general equipment cleaning).

**Dosage Ratios:**

- TCP/ Well bore clean out: 2.5 g to 10 bbls of water.
- General Pressure Washing: 1:20
- Heavy Duty Pre-Soak: 5:20

**Handling/Safety**

- Pipe Wash is available in 5 gallon pails, 55 gallon drums, 275 gallon IBC tote bins and in bulk. Safety Data Sheets are available outlining safe handling practices.

**HMIS Rating**

- Health: 1
- Flammability: 1
- Reactivity: 0
- Personal Protection: B
